Sir,

Budget Estimates of Nanjangud Municipality for 47-48

Adverting to your letter No L 2094/M1 dated the 6th August, 1947, pointing out that the total expenditure would stand at Rs 79,528/- and not at Rs 79,998/- as stated by this Office, and asking me to verify further and state how the abstract figures would amount to Rs 79,998/-, I have the honour to state that the amount shows as modifed by me under "E Conservancy and Sanitation", is not Rs 340/- as shown in the working sheet sent with your letter, but it is Rs 840/- (160 deducted from 1,000/- as detailed at the top corner of the Budget Estimates) and again, the figures shown as modified under 'Purchase of tools, brooms etc ,' is not Rs 75/- as shown in the working sheet but it is Rs 70/- (30 deducted from 100/- in the Budget estimates) The total modified figure w uld thus be Rs 17,590/- and not 17,095/- as shown in the working Sheat The difference would correspondingly be Rs 8853/- as against 9348/- shown (Vide Margin 'B')

Now, as regards the total expenditure by the council, It has been noted in pencil at the end, that 88,876/- given by the Council is an errot in total and it should be Rs 88,851/- Deducting now, the difference of Rs 8853/-, from Rs 88851/-, the expenditure passed by this office would come to Rs 79,998/- which is the figure given in the Budget There is therefore no discrepancy Budget estimates are herewith returned
